Granite Business Looking Up

On account of the freight embargo the local granite business has been somewhat crippled lately and there was talk of a lay-off at the Union Granite Co's shed, on account of a scarcity of freight cars. Annual Village Meeting

The annual village meeting Monday evening was attended by about 75 voters and although there was considerable discussion of the various articles the meeting was harmonious and considerable important business was transacted. A tax of 45 cents on a dollar was voted, payable on or before Sept. 1, subject to a four per cent discount. The tax is divided as follows:—27c for running expenses, 10 cents for repairing walks and eight cents for oiling streets. The poll taxes will be collected as soon as may be, in accordance with the act of 1915.

The only changes in officers was the election of George G. Morse, as a trustee for five years, to succeed his father, Geo. A. Morse, and the election of W. F. Churchill to succeed J. Randall Child as auditor.

The usual amount of \$1050 was voted for lighting streets and \$300 for use of hydrants.

The article referring to an appropriation for the Centennial library was passed over, as \$200 was made an annual appropriation by the terms of the resolution passed last year.

Upon a motion of Bob Sparks, the Trustees were instructed to lay a permanent sidewalk from the railroad to the tannery.

It was voted to oil the same streets as last year and in addition Union, Maple, Park, Summer, Congress, Pleasant, Randolph to William Howard's and such other streets as the Trustees think best. It is thought the eight cent tax will cover the expense.

H. C. Fisk was released as a Park Commissioner and A. R. Campbell was elected to serve in his place.

Death of H. Horatio Partlow

Horace Horatio Partlow died at the State Hospital in Waterbury yesterday morning, where he had been receiving treatment the past month. Death was due to a general breaking down and complications, from which he had been ailing for the past year. He would have been 81 years of age on June 24 next.

The funeral will be held Thursday afternoon at two o'clock from the M. E. church, Rev. W. T. Best officiating. Interment will be in Pleasant View cemetery beside his wife, who died seven years ago.

The deceased was born in Fletcher. He was united in marriage in 1861 to Martha Best. They moved here from Johnson about 25 years ago, where the deceased has since carried on a wheelwright and woodworking business until his health failed. He is survived by one daughter, Mrs. E. G. Wilson, and a brother, Joel H. Partlow, of Johnson, who is 86 years of age.

Abbondi-Carera

The marriage of Dino Abbondi and Miss Margaret Carera, a popular young lady of Hardwick, took place in Hardwick Monday, Rev. Fr. Kennedy officiating. After a wedding trip, including a visit to New York and Jersey City, Mr. and Mrs. Abbondi will be at home in rooms which have been recently remodeled in the Burke block. The groom is one of Morrisville's prosperous and popular business men, being a member of the firm of the Morrisville Fruit Company. Congratulations.

Mrs. Mary E. Thomas has received news of the serious illness of Fred B. Livingston, a former resident of Morrisville. Mr. Livingston was taken sick at his mine in Nevada. Realizing his need of seeing a physician he went to Gardnerville, the nearest town. His physician diagnosed his case as leaky valve of the heart with bad kidney trouble and advised his getting to a lower altitude, but his heart was not strong enough at that time to make the climb over the summit. Mr. Livingston's family is in Oakland, Cal.

THE EARLE STORE

A WORD ABOUT GARMENTS

Did you know that you can buy a natty Spring Coat in the sport style at \$6 to \$7 at this store? They are made up in various cloths and in a style that simply appeals to the lady who does not want to put a lot of money into a spring garment. You must see them to really appreciate just how far a little money will go. We also carry a beautiful line of Ladies' Suits, all made in the very newest styles and most popular cloths. Come in and try them on.

TABLE LINENS

We mention this item of interest for the reason that all our linens are made abroad and to buy them at the present time would make the price almost prohibitive, but we were lucky to buy a large lot of these goods last fall before the price had advanced and are selling them at the old price as long as they last. It is a business opportunity.

WOOL SERGES

We have a new line of 36 inch all wool serges in black, two shades of blue and brown that are considered values at 60 cents the yard. They make up in a nice looking gown; especially nice for school wear.

Remember we carry all grades of hosiery and underwear at popular prices.

Bartlett Milk Route Sold

A. J. Bartlett, who has conducted a milk route in this village for the past five years, has sold his business and outfit to Ned Phillips and possession was given this morning. By close attention to business and excellent service Mr. Bartlett has received a very large patronage and we bespeak for his successor a continuation of the same. Mr. Phillips will continue to handle the milk from the Town dairy.

W. C. T. U. Notes

The meeting was held as announced at home of Mrs. G. H. Prior last Friday afternoon. Among the items of interest under consideration were the annual County Convention, the dates of which are understood as May 16 and 17; the place not yet settled; plans are underway for good speakers and a good program. A local committee was appointed to assist as needed in arrangements.

The program topic being "Suffrage," numerous articles were read on the subject, and personal opinions solicited. The Union has purchased the book, "A Compendium of Temperance Truth" to present to the public library.

After the meeting, refreshments of tea and cakes were served by the hostesses.
